## FACULTY AND PROFESSIONAL SUPPORT PERSONNEL LISTINGS

Directory information for university employees was generated from Administrative Computer Services, converted to a CPT floppy disk updated in Information Services, and telecommunicated to a typesetter. Each person was asked to complete an Employee Data Record form. Efforts were made to include everyone who was newly appointed or had completed this form by September 10, 1986. Home addresses and phone numbers were excluded on request. The faculty listing includes part-time faculty members and graduate/teaching assistants. Office phone number changes will be noted in *University News*, a newsletter for university employees.

## STUDENT LISTING

The directory information about SCSU students was typeset from a computer tape using data supplied by students during spring registration. Students were able to update addresses and telephone numbers by filling out Change of Address forms September 15-19, 1986.

The cutoff date for inclusion in this year's directory was September 19. All students enrolled at SCSU should be correctly listed if they completed the Change of Address form.

Students who change their addresses or phone numbers during the current academic year should complete a Change of Address form at either the Office of Student Life and Development in Atwood Center or the Office of Records and Registration in the Administrative Services Building.

The Family Educational Rights and Privacy Act of 1974 entitles students to restrict the release of directory information. Students who have filed a statement to this effect at the Office of Records and Registration are not listed in this directory.
