How to call

When calling from a local off-campus number to campus, dial 255 and the listed four digit number, unless another prefix is listed.

For on-campus calls, dial the listed four-digit number if the prefix is 255, 654, 202, 529, 650, 229 or 203. All other prefixes must be dialed as though they are off-campus calls.

For local off-campus calls, dial 9 and the seven-digit number.

For directory assistance (on-campus):

Faculty.....0121 Students3111

For long-distance calls:

- Operator-assisted calls (collect and person-to-person): Dial 9-0 and give information to the operator.
- Travel/calling card-handled calls: Dial 9 and follow the directions on the calling card.
- Faculty and staff should refer to the university procedures manual for information about long-distance calls. These manuals are located in each department or administrative unit office.

Should I go International?!

YES, if you are interested in exploring a new culture in an academic setting. It often costs no more than staying at home and it's a great way to become more fluent in a foreign language. There are plenty of programs available to broaden your potential, expand your knowledge and awareness. Employers value your experiences which places you in front of the job market. This non-traditional form of learning allows you to make lifelong friends & contacts. So what do you say? "Why not check it out!"

Excitement and adventure is the course description, and Army ROTC is the name. It's the one college elective that builds your self-confidence, develops your leadership potential and helps you take on the challenges of command.

There is no obligation until your junior year, and that means there is no reason not to try it out right now!

PREREQUISITE:

ADRENALINE!

ARMY ROTC

THE SMARTEST COLLEGE COURSE YOU CAN TAKE

YES, if you are interested in exploring a new culture in an academic setting. It often costs no more than staying at home and it's a great way to become more fluent in a foreign language. There are plenty of programs available to broaden your potential, expand your knowledge and awareness. Employers value your experiences which places you in front of the job market. This non-traditional form of learning allows you to make lifelong friends & contacts. So what do you say? "Why not check it out!"

St. Cloud State University is the largest of the Minnesota State Universities. It is committed to excellence in teaching and learning; to fostering scholarship, research, and artistic and creative endeavors; and to enhancing community service and collaborative working relationships. As a comprehensive university it serves primarily the citizens of Minnesota; it also functions as a regional university for the upper midwest and attracts students from other states and nations.

As an educational community of students, faculty and staff, St. Cloud State University provides a full range of undergraduate and selected graduate programs to prepare for living and working as responsible citizens.

It supports intellectual and scholarly achievement, recognizes the diversity of scholarship of women and various cultural groups, instills a sensitivity to the values of a multicultural and ever changing world, and provides access to life-long learning experiences.

Touchtone registration

REGISTRATION AT SCSU

At St. Cloud State University enrollment requests may be processed by accessing either the Touchstone Registration System (320-654-5288) or the Online Registration and Student Information System (www.StCloudState.edu/registerline/index.html). Both of these systems are briefly described below. More complete information may be found in the Semester Schedule booklet.

TOUCHTONE REGISTRATION

Touchtone registration is one component of the Office of Records and Registration's voice response system. The voice response system will allow a student to add classes, drop classes, verify a class schedule, search for open classes and confirm an assigned registration time using a touchtone telephone.

Students will be held responsible for all transactions and adjustments made to their class schedule using the Touchtone Registration System and all financial and academic consequences that result from that schedule. Students are also responsible for all charges associated with phone calls. Calls may be monitored for security and evaluations.

There are no restrictions on how often the Touchtone Registration System may be accessed, but each call is limited to 10 minutes. After being connected to TTRS, if no entry is made within 45 seconds, the system will terminate the call.

All financial, academic and other "holds" must be cleared before attempting to add classes. Since it may take up to three working days for "holds" to be removed, it is important that all financial obligations are paid as soon as they become due. A late payment will mean a delay in accessing the Touchtone Registration System.

ONLINE REGISTRATION AND STUDENT INFORMATION SYSTEM

New to St. Cloud State University this fall semester is the Online Registration and Student Information System. This web-based system may be used to confirm an assigned registration time, add and/or drop classes, search for open classes, view a class schedule and check for grades and holds. The system may be accessed through the SCSU Home Page.

Students will be held responsible for all transactions and adjustments made to their class schedule using the Online Registration System and all financial and academic consequences that result from that schedule.

All financial, academic and other "holds" must be cleared before attempting to add classes. Since it may take up to three working days for "holds" to be removed, it is important that all financial obligations are paid as soon as they become due. A late payment will mean a delay in accessing the Online Registration and Student Information System.
