# Where Friendships Ripen

---

---

*There's a chummy feeling of friendliness about the College Supply Store that has made it the headquarters for college students. Within this store you will not only find a wealth of fine materials covering the wide range of college requirements, but also a spirit of eager helpfulness that will make your visit one of pleasure and of profit. Here the "old-timers" gather to renew friendships and the newcomer loses his feeling of strangeness in the "homey" atmosphere.*

## Our Obligation to You and Others

The saying, "goods well bought are half sold," tells only part of the J. C. Penney Company story.

Our obligation to our customers does not end with the actual purchase and sale of goods.

It's true, every purchase must be the best from the standpoint of quality and price we can possibly make.

Large volume buying for our 676 Stores assures greater values than can be obtained from retailers buying in a smaller way.

Every sale made in this Store must carry with it absolute customer satisfaction. Our service does not end until you are finally pleased.

## Style and Quality

the firm foundation of our success

Keeping pace with Millinery Styles requires most intimate study of the modes at all times

We not only keep close contact with all authorities on style, for our guidance for our clientele, but secure frequent selections from America's famous designers.

### WHY YOU NEED THIS GUIDE

"It is safe to say that failure to guide and direct study is the weak point in the whole educational machine." Prof. G. M. Whipple, U. of Michigan.

"The successful men in college do not seem to be very happy. Most of them, especially the athletes, are overworked." Prof. H. S. Canby, Yale.

"Misdirected labor, though honest and well intentioned may lead to naught. Among the most important things for the student to learn is how to study. Without a knowledge of this his labor may be largely in vain." Prof. G. F. Swain, M.I.T.

"To students who have never learnt "How to Study," work is

very often a chastisement, a flagellation, and an insuperable obstacle to contentment." Prof. A. Inglis, Harvard.

"Academic psychology with its highly productive resources gladly owes to these (students) the obligation of giving all it can to make this learning process easier, more pleasant, and in all ways more productive." G. V. N. Dearborn.

Based on well-established principles, "HOW TO STUDY," will show you how to avoid the misdirected effort.

Get a good start and make this year a highly successful one by sending for this handbook, guide, companion, and adviser, at once.

## *FANDEL'S*

*ST. CLOUD'S BEST STORE*

**Has been the Shopping Center of  
Teachers College Girls for 44 years!**

*September 13th, 1869, the first Teachers College was established in St. Cloud. Thirteen years later, on March 23rd, 1882, the doors of this firm first opened. From a meagre beginning they have grown into this present building, which today is much too small.*

TEACHERS COLLEGE STUDENTS ALWAYS  
FIND HELPFUL CO-OPERATION AT  
FANDEL'S ON ANYTHING  
THEY PLAN.
