---

THE TEACHERS COLLEGE DIRECTORY for 1938-39 has been arranged and published for the use of the students and faculty by the *Talahi* staff. This year a new policy was initiated and for the first time the directory has been distributed to everyone free of charge. It was possible to realize this added convenience only through the wholehearted cooperation of a number of business establishments who are using the directory as an advertising medium. In so doing they have also helped to finance a large part of the *Talahi*. Therefore, the *Talahi* staff sincerely urges you to patronize the advertisers of the directory whenever possible.
