GENERAL ANNOUNCEMENTS

Here's something to write home about! Or better, now that you are going home soon you can talk it up while you are there and overcome right away any excuses you may run into. But there aren't likely to be any excuses when you tell your parents about that special day we are setting aside to entertain them. It's the Parent's Day in May... a picnic on the islands, entertainment by the various organizations in the amphitheatre at the sports field, get together at informal coffee hours, a chance to see the College buildings and grounds and other features that haven't been announced by the committee as yet. Do your part to see that your folks have this holiday at T.C. See that they are among those present. They'll all receive special invitations but you can give a different kind of "personal touch"..let Dad and Mother know you're counting on them to be there.

All first round games in handball and ping pong, both singles and doubles, have to be played by this coming Tuesday or otherwise forfeit the match. All games are to be played at Eastman Hall. Intramural matches are also played every Tuesday evening at 7 o'clock.
